THIS PROMOTIONAL PROGRAM IS SPONSORED BY PFIZER INC.

Pfizer Inc. ("Pfizer") is subject to U.S. Federal and State transparency laws that require Pfizer to track and report meals and other transfers of value provided to certain U.S. healthcare professionals (including physicians). To comply with these obligations, for attendees who receive any portion of the meal provided at this program, Pfizer will report the attendee's name and the value of the meal received.

Because late arrivals may be prohibited from participating in the program, please make every effort to arrive by the designated start time. You are expected to remain for the duration of the program.

Notice: Pfizer is committed to the appropriate marketing of its products to ensure that interactions with HCPs are professional exchanges designed to benefit patients and enhance the practice of medicine. All Pfizer-sponsored programs are conducted in accordance with PhRMA Code principles to address a bona fide educational need with appropriate attendees in a venue and manner conducive to informational exchange.

State and Federal Employees: State and federal laws and regulations may carry additional restrictions. By attending this event, you confirm that you have obtained any necessary approvals from your employer.

Public Disclosures: Pfizer reports payment and transfer of value data as required by federal and state transparency laws.

State Law Restrictions:

Minnesota: Regardless of where you practice or reside, if you are a Minnesota-licensed practitioner with prescribing privileges, then you may not consume any food or beverage associated with this event.

Vermont: Regardless of where you practice or reside, if you are a Vermont-licensed HCP, you may not consume any food or beverage associated with this event. Additionally, if you are an employee/agent of a Vermont HCP (e.g., PAs, non-prescribing nurses, etc.), regardless of where you practice or reside, you may not consume any food or beverage associated with this event.

ASTELLAS TRANSPARENCY NOTICE

If you have a state license and NPI number, please provide these numbers in advance or have the numbers available at the presentation. This information is needed for on-site registration. Astellas Pharma US, Inc. ("Astellas") is subject to U.S. Federal and State transparency laws that require Astellas to track and report meals and other transfers of value provided to certain U.S. healthcare professionals (including physicians). To comply with these obligations, for attendees who receive any portion of the meal provided at this program, Astellas will report the attendee's name and the value of the meal received. Astellas offers you the option to attend the event but not receive the meal. Please ask the Program Organizer for more information about this opt-out option.

Astellas has adopted the PhRMA Code on Interactions with Healthcare Professionals, which is designed to foster ethical relationships with healthcare professionals. In accordance with the PhRMA Code, we will not pay for the expenses of a healthcare professional's spouse or guest, and such individuals should not attend the program, unless they have a bona fide professional interest in the information being shared at the program. We appreciate your understanding and support of our commitment to these ethical standards.

Additional restrictions apply to the following individuals:

For U.S. Healthcare Providers in Vermont or those affiliated with the U.S. Department of Veterans Affairs or Department of Defense:

Several states and federal agencies in the United States restrict your interactions with Astellas, including the provision of in-kind benefits (such as meals) at company-sponsored events. If you are a healthcare professional in Vermont or are affiliated with the U.S. Department of Veterans Affairs, Department of Defense, or other federal executive branch entity, Astellas policy prohibits providing you a meal at this program. If you would like to attend, but not partake in the meal, please refer to the opt-out option below.

For U.S. Licensed Prescribers in Minnesota: Under Minnesota law, Astellas may provide meals and other transfers of value to Minnesota licensed prescribers if the annual (calendar year) aggregate total of all value transfers of any kind from Astellas to a Minnesota prescriber does not exceed \$50.00 USD, subject to some exceptions. Astellas has policies and procedures that are intended to help ensure compliance with this annual aggregate limit. If you have questions about your annual aggregate value transfers from Astellas or the impact of accepting the meal provided at this event on your annual total, please consult the Program Organizer. In addition, if you would like to attend, but not partake in the meal, please refer to the opt-out option below.

For State Government Employees: State ethics laws may prohibit you from accepting a meal. Astellas policy prohibits: (1) Colorado State Employees from accepting from Astellas more than \$50 annually in transfers of value, including meals; (2) Louisiana State Employees from accepting a meal that exceeds \$60 in value; and (3) New York State Employees from accepting a meal that exceeds \$15 in value. If you would like to attend, but not partake in the meal, please refer to the opt-out option below.

For Foreign Healthcare Providers: Some foreign countries restrict the provision of or require the reporting of in-kind benefits (such as meals) to healthcare professionals at company-sponsored events. Astellas has policies and procedures that are intended to help ensure compliance with these requirements and restrictions. To help ensure compliance with applicable requirements, Astellas policy prohibits providing a meal to you in conjunction with this event.

For Important State Pricing Disclosure Information: Visit www.astellas.com/us/about/state-regulations

Opt-Out: Astellas offers an opt-out option that allows you to still attend this event but not receive the meal. Please ask the Program Organizer for more information about the opt-out option.

Pfizer and Astellas do not provide or pay for alcohol in connection with any sponsored program.
