

YOU ARE CORDIALLY INVITED TO THE FOLLOWING PROGRAM:

A First-Line CDK4/6 Inhibitor Combination Therapy: Clinical Trial Evidence Complemented by a Real-World Effectiveness Evaluation

Hilton Waikoloa Village Waikiki Beach Resort
Honolulu 1
2005 Kalia Road
Honolulu, HI

Friday, February 24, 2023 | 8:00–8:45 AM HST

Breakfast will be served.

HEAR FROM THE FOLLOWING SPEAKER:

Reshma Mahtani, DO
Baptist Health South Florida
Plantation, FL

Dr Reshma Mahtani is Chief of Breast Oncology at Baptist Health South Florida in Plantation, Florida. Previously, Dr Mahtani served as associate professor of medicine, Division of Hematology/Oncology, at the University of Miami Miller School of Medicine and Director of Community Outreach at Sylvester Cancer Center in Deerfield Beach, Florida. She also previously worked as a hematologist/medical oncologist and Director of Clinical Research at Boca Raton Comprehensive Cancer Center in Boca Raton, Florida.

Dr Mahtani received her medical training at the University of New England College of Osteopathic Medicine, as well as a Master of Science degree in neuroscience from the University of Connecticut. She completed her residency and fellowship at Saint Vincent's Catholic Medical Center in New York. Dr Mahtani is affiliated with the American Society of Clinical Oncology Eastern Cooperative Oncology Group and has a varied portfolio of public speaking and continuing medical education engagements that further the discourse of cancer research and community building among patients with cancer.

If you plan to attend, kindly make every effort to arrive by the designated start time and to remain through the duration of the program. Please be advised that late arrivals may be prohibited from participating in the event.

Notice: This event is conducted in accordance with the PhRMA Code on Interactions with Healthcare Professionals and is limited to healthcare professionals (HCPs). Attendance by guests or spouses is not appropriate. Government employees are subject to state and federal laws and ethics rules that may limit their ability to receive any gifts, including meals, from pharmaceutical companies. If you are a state or federal employee, it is your responsibility to seek guidance and prior approval from your employer or site ethics counselor to attend this or any Pfizer event. Your attendance will be considered confirmation to Pfizer that you have obtained any necessary approvals to attend this event.

State Laws and Pfizer Disclosures: The cost of meals and refreshments provided to US licensed Healthcare Professionals attending this Pfizer-sponsored program will be subject to public disclosure on www.pfizer.com as part of Pfizer's Healthcare Professional Disclosure policies, and may also be subject to disclosure by state governmental authorities pursuant to your state law and applicable federal law such as the National Physician Payment Transparency Program (otherwise known as "Sunshine"). Pfizer's disclosure will allocate the cost of meals and refreshments equally across all attendees regardless of actual consumption. **If you are licensed to practice in Massachusetts, Minnesota or Vermont, we are prohibited from providing you any meals and/or refreshments due to your state limitation on meals, gifts or other items of value to HCPs and ask that you do not partake in the hospitality provided.**

No CNE or CME contact hours will be awarded.
